

If a basic degree student would like to be admitted into an advanced degree course on the basis of exceptional ability and academic background, then he or she must fill out this form and gain the appropriate approvals. For 6000-level courses, this form must be signed by the instructor of the course and the student's BD Director. For 5000-level courses, this form must be signed by the course instructor, the student's BD Director and the TST Advanced Degree Director. This form must be filled out and submitted to the student's college registrar before the Basic Degree student begins to attend the course.

From the Basic Degree Handbook:

8.2 5000-level courses are intended exclusively for advanced degree students. Only in cases of exceptional ability and academic background in the area will a basic degree student be allowed to register for a 5000-level course, and then only with the written permission of the instructor, the student's Basic Degree Director and the TST Advanced Degree Director. In exceptional cases a basic degree student may be allowed to register for a 6000-level course, with the written permission of the instructor and the student's Basic Degree Director. If accepted into an advanced degree course basic degree students must complete the advanced level requirements of the course and will be graded on the same basis as advanced degree students in the class.
