This form is intended for the use of the Principal Reader (that is, the professor for whom the essay was written) to report the grades/marks assigned by both readers. It is not presumed that the mark assigned here is the same as the grade to be assigned to the associated course, therefore the mark for the course must be submitted to the Registrar in the usual manner. The result will be recorded in the minutes of the next Advanced Degree Council meeting. Following the ADC meeting, the student shall be sent a notice of confirmation by the TST Advanced Degree Office.
