Part 1: Clearance for registration

The first stage of the program (courses, languages) needs to be complete before a student can register for the comprehensive stage. The requirements for the first stage vary by department; Pastoral Department requirements can be summarized as follows. (Note that the official description of the requirements is found in the ThD and PhD Handbook.)

Courses: 9 courses total; at least 5 at the 5000 or 7000 level; no more than 4 at the 6000 level; at least 5 in the Pastoral department. No grade below B-/70; overall average at least A-/80.

Languages: competence in three languages in addition to English—one ancient (Hebrew, Greek or Latin), one modern (French, German, Spanish or Italian) and a third either ancient or modern; substitutions for the modern language requirement in accordance with §5.3

In order for a student to be allowed to register for the comprehensive phase, it is necessary that the chair of the student’s supervisory committee verify that all requirements of the first stage have been completed. To do this, it will be necessary to consult the student’s academic history report (available from college registrar or TST AD office). If the student is ready to proceed to the comprehensive stage, please check the box below. If any explanation or clarification is necessary (e.g., if certain requirements or restrictions have been waived), please append a letter or memo.

I verify that all requirements of the first stage have been completed.
