

**SECOND-ENTRY  
UNDERGRADUATE (BD)  
STUDENT REQUEST TO STUDY  
A GRADUATE (AD) COURSE**

If a second-entry (BD) Student would like to be admitted into a graduate (AD) course on the basis of exceptional ability and academic background, then the student must complete this form and obtain the required approvals prior to attending the course and the last date to add course for the semester as stated on the TST Key Academic Dates which can be found at <https://www.tst.edu/academic/key-academic-dates>. From the Basic Degree Handbook:

**§9.3.2 Ineligibility for Graduate (AD) courses.** Basic degree students are not normally permitted to register for courses numbered above 3999, which are graduate (AD) courses. 5000-level courses are intended exclusively for graduate students. Only in a case where a student has exceptional ability and academic background in an area will a basic degree student be allowed to register for a 5000-level course, and then only with the written permission of the instructor, the student’s Basic Degree Director and the GCTS. In similarly exceptional cases a basic degree student may be allowed to register for a 6000-level course, with the written permission of the instructor and the student’s Basic Degree Director. A basic degree student who takes a graduate (AD) course must complete the same course requirements as graduate students, and will be graded on the same basis as graduate students.

For 6000-level courses, this form must be signed by the instructor of the course and the student’s BD Director. For 5000-level courses, in addition to the instructor’s and BD Director’s signature, the approval of the GCTS is also required. If this request is being made prior to an academic history on ACORN, the student must also submit a copy of their transcript from their last academic institution. Second-entry (BD) students taking graduate degree courses are subject to graduate degree course fee rates.
