

# DMin REQUEST FOR TRANSFER CREDIT AND COURSE EXEMPTION

Transfer credit for graduate work completed in another program is limited to 1.0 full-course equivalent (FCE) or 25% of the course requirements for any degree, whichever is greater, provided that the courses have not been credited towards another degree, diploma, certificate, or any other qualifications. Such courses must have been completed within five years of the first year of a student's registration in the program. As per §2.16 of the DMin Handbook, such credit may be given on the approval by the DMin Director. This form is used to report such recommendation.

Transfer of credit and course exemptions include the following categories:

**Transfer Credit: Course Equivalent (TC-CE)**, credit received for a course completed in a prior program is considered to be equivalent to a TST graduate (5000-6000 level) course, thus reducing the overall course credit requirements for degree.

**Transfer Credit: General Equivalent Unassigned (TC-GEU)**, credit for course not identifiable with course offerings but which is evaluated as being appropriate for academic credit on transfer, thus reducing overall course credit requirements for degree.

**Course Exemptions (CEXMP)**. Students cannot be exempted from required courses. However, Advanced Standing may be granted for elective courses. For Advanced Standing, the student is exempted from taking elective course units required in the program in consideration of the student's previous studies (including earned degrees). The most typical case is a student who receives an award of up to two credits for completing second graduate degree after having already met admissions requirements by completing a first master's degree.
