Since the needs of different theological disciplines are varied, the guide is more about how to access resources rather than an extensive listing, though some key resources are highlighted.

NB. For remote access to resources, you will be prompted for your UTORid or utoronto.ca email address.

**Curbside Pickup Service**

Robarts Library will offer a Curbside Pickup Service for print books not available through the HathiTrust. Students, faculty and staff are eligible to use this service. Initially, the service will only provide access to books housed in the Robarts Library building stack and storage locations within the building.
Other TST libraries currently offering curbside pickup service:

Graham Library  
Kelly Library  
Regis College Library  
Knox College

**Main Catalogue: Books**

Search [here](#).

From the main page under Catalogue search, choose Books

In the search box insert your search term and in the drop-down menu choose either Author/Title/Subject/ or Anywhere for a combination of these.

In your results page, left hand menu with have the option of limiting result to “Online”

**Main Catalogue: Monographs**

Search [here](#).

From the main page under Catalogue search, choose Books

In the search box insert your search term. For books of the Bible choose the format e.g. Bible Matthew (Bible Genesis, etc).

In the drop-down menu choose Subject.

In your results page, left hand menu with have the option of limiting result to “Online”

If you want to order the results according to date, the drop-down menu on right has Sort.

**Main Catalogue: Articles**

From the main page under Databases, choose Subjects A-Z.

Under the drop-down menu choose Christianity>Go.

The Best Bets at the top are the ones to use, specifically the ATLA index.

(If you are new to ATLA see also the guide to the left on the page: Christianity Guides.)

**Other Subject Areas**

For resources in areas other than Christianity, you may have needs in the following areas.

First follow the procedure above:

From the main page under Databases, choose Subjects A-Z.
Under the drop-down menu choose:

- Dissertations
- German Studies
- History
- Jewish Studies
- Literature

Addenda 8 June

ATLA Digital Library

-Contains texts, records, maps, photographs, recordings of historical and archival content in religion and theology.

Loeb Classical Library

is available online through UTL. Here is how:

Go to the main search page: https://search.library.utoronto.ca/index

Insert Loeb Classical Library in the search box

In the drop down menu (where the default indicates "Anywhere") choose Series Title.

You will see that 1851 records are retrieved (including print and electronic).

For those that are available in electronic format, choose the check box to the left that says Online.

You will see that 673 records are retrieved. If you are accessing these remotely, you will need to use your UTORid or utoronto.ca email.
Many of these volumes are now available in print in Robarts through curbside pick-up. The "GetHelp" icon on each record shows you how to request such an item.
