EXPECTED EXPENSES

The Financial Need Assessment Form serves to calculate your expected resources and expenses for the academic year (typically the months between September and August). The amounts in Column C will need to be calculated based on the number of months (usually 12) for which you will be registered in the academic year.

Financial need is normally demonstrated when a negative balance appears in the "TOTAL AVAILABLE RESOURCES" field on page 2 of the form (e.g., "Total Expected Expenses" is higher than "Total Expected Resources"). Showing a large positive balance in the "TOTAL AVAILABLE RESOURCES" field is not normally considered a demonstration of financial need unless extenuating circumstances are also reported (additional page for explanation may be submitted).

Please note that supporting documentation may be requested for all reported expenses.

Living Expenses

Choose which living situation applies to you and fill in the appropriate information.

Example #1: A single student who will be registered for twelve months, does not have children and is living in their parent's home should:

- Choose Section 1 "Single/separated/divorced"
- Enter 12 months in Column B
- See the form calculate the amount for Column C ($\$698 \times 12 = \$8,376$)

Example #2: A student who will be registered for 12 months, doesn't live at their parents home and has a partner and two children under 13:

- Choose Section 2, "Partnered"
- Enter 12 months in Column B
- See the form calculate the amount for Column C ($\$3,174 \times 12 = \$38,088$)
- Enter "2" under "Number of dependents aged 0-12" and enter ages (e.g. "3, 11")
- Enter "2" in Column A "\$790 x ____"
- Enter 12 months in Column B
- See the form calculate the amount for Column C ($\$889 \times 2 \times 12 = \$21,336$)

Debt Servicing

If you will be paying monthly payments on loans/credit card while you are a student (mortgage payments are typically ineligible as an expense):

- Calculate 50% of your minimum monthly payments
- Enter the **monthly** amount into Column A (up to a max. of \$250/month)
- Enter the number of months in Column B that you will make payments in the academic year
- See the form calculate the amount for Column C ("A" x "B" = "C")

In this field, include Medical & Dental Costs that are not covered by OHIP's, UTSU's, or UHIP's health plans. Annual fees for the UTSU or the University Health Insurance Plan (UHIP) are to be included under "Tuition & Other Fees".
