

COURSE INSTRUCTOR SUPERVISOR SUPPORT

This form is to be used to confirm supervisor support for TST graduate students who are under consideration as course instructors. Graduate student course instructors must be at the “ABD” stage of their program, with an approved thesis proposal on file with the GCTS Office. The appointment of a graduate student to teach a TST course requires the approval of the GCTS, which verifies that the student is in good academic standing, has an approved thesis proposal, has the support of their thesis supervisor(s), and has the expertise required to teach the course.
