INSTRUCTIONS
Please read the following instructions before you fill out and submit this Notice of Appeal:

Basic Degree Students
Students in a basic degree program, and non-degree students studying at the basic degree level, may file an academic appeal with TST only after completing the appeals procedures available in their college of registration. Their TST academic appeal will be considered by the Admissions & Procedures Committee of the TST Basic Degree Council. Students should consult Section 15 of the Basic Degree Handbook.

Advanced Degree Students
For students in an advanced degree program, and advanced degree special students, the TST Appeals Committee of the Advanced Degree Council receives academic appeals directly, according to the process defined in the appropriate Handbook [ThD and PhD Handbook: Section 14; DMin Handbook: Section 2.18; ThM Handbook: Section 12; MA Handbook: Section 11].

Deadlines:
An appeal to the TST Appeals Committee (AD) or the TST Admissions & Procedures Committee (BD) must be filed with the TST Registrar’s Office according to the timelines outlined in the appropriate Handbook. If the deadline date coincides with a day on which the TST is closed, the deadline for filing the Notice of Appeal is 5:00 p.m. of the next regular business day.

Contact Information:
The mailing address and email address used to communicate with you are the addresses that you provide on the appeal form. If you move after submitting this form, please inform the TST Registrar of your new address. The email address which you provide must be a university-issued email address. You are expected to monitor and retrieve your mail, including your university-issued email, on a frequent and consistent basis. It is YOUR responsibility to ensure that the TST has current contact information during the appeal process. If you retain legal counsel or other representative, the TST will communicate directly with your representative.

You MUST attach the following documentation to your Notice of Appeal. The appeal form is not considered complete until the required documentation is submitted. Please check off each item to ensure that your appeal documentation is complete:

- A copy of the decision you are appealing. (For a Basic Degree student, this will be the decision of the appropriate appellate body of their college of registration.)
